Fred Clarke: Catasetum Hybrids

August 14 2017, 7:30 PM

Fred Clarke started Sunset Valley Orchids in 1995 as a natural outgrowth of a hobby that began 27 years earlier. This "boutique" style nursery is dedicated to providing excellent customer service and breeding superior hybrids for the orchid enthusiast. His nursery provides unique hybrids and species in several genera including Cattleya, the Catasetinae, Paphiopedilum, Australian native Dendrobiums and a few others in limited numbers such as Sarcochilus, Zygopetalum and Stanhopea. Orchids from Sunset Valley Orchids have received hundreds of AOS awards, including 8 that have received the highest honor, the First Class Certificate. Fred is an accredited AOS judge and is a popular speaker on many orchid subjects. He travels extensively around the United States, Canada, Australia, New Zealand, South Africa and Latin and South America.
